

TEKNOLOGI

K65 Stainless Steel Cleaner

K65 Stainless Steel Cleaner & Polish has been developed to add shine and clean dull or matte stainless-steel caused by continuous cleaning and exposure to chemicals. The wax rich formula revitalises the shine with a mirror like finish on stainless steel surfaces in commercial and industrial kitchens, restoring the original appearance and protecting the surface from corrosion.

FEATURES

- Contains carnauba wax for long lasting shine.
- Broad application range on all stainless-steel surfaces including handrails, kick plates, sinks, refrigerators, preparation counters, hood tops and front panels on appliances.
- Corrosion inhibitors to protect the metal.
- Streak-free, effortless application.
- Renew the life of the surfaces.

ACTIVE INGREDIENT

Carnauba Wax, Polydimethylsiloxane, Fragrance, Water

DIRECTION

1. Clean the surface with M-Teknologi K82 Kitchen Degreaser prior to polishing
2. Dispense the K65 Stainless Steel Cleaner & Polish directly into 1 litre spray bottle.
3. Lightly spray from 30cm from the surface to be polished.
4. Buff with M-Teknologi Microfiber cloth until surface shines.

WARNING

For external use only.

- In case of contact with eyes rinse immediately with plenty of water and seek medical advice.
- If swallowed/ingested seek medical advice immediately and show this container or label
- Use only as directed.
