

TEKNOLOGI

K32 Manual Dishwash Liquid

K32 Manual Dishwash Liquid is a highly concentrated manual dishwashing liquid that has a phosphate-free formula which penetrates and lifts the grease and food residue stuck to the surface of pots, pans, dishes, cutlery, utensils and glasses. Long lasting suds break down tough stains with quick and streak-free drying, reducing the turnaround time for the dishwashing. Use Single Sink or with the M-Teknologi 3 Sink Method

FEATURES

- Tough on stains, gentle on hands.
- Concentrated formula ensures economical usage.
- Clean and fresh scent.
- Phosphate free
- Streak free drying.
- Long lasting effective suds
- Quick dilution formula wastes no time.
